Employment Experience

EINSTEIN BROS. BAGELS - STUDENT WORKER, ARAMARK

08/2023-Present

Worked from open to close on weekends, cleaned and organized areas to ensure a well-maintained environment for guests. Participated in food safety training, every shift a daily log book was recorded regarding opening and closing health guidelines to ensure food safety and customer's health was above standard. Prepared various types of bagels/sandwiches, handcrafted various coffee beverages offered from our menu. Handled cash/credit transactions with customers as well as performed other various tasks such as: wipe down work area and equipment during down time as well as restock inventory

CHICK-FIL-A - STUDENT WORKER, CHARTWELLS FOOD SERVICE

01/2022 - 05/2023

Worked weekdays after class until close, handled food preparation from unpacking products (chicken nuggets, fries, chicken filets), cleaning (chicken filets) to ensure the finest cut before frying, coating nuggets and chicken filets evenly to have an even crust on all edges, and cooking all products to customer satisfaction. Handled the sandwich building making sure each sandwich was aligned upright in the box or bag, boxed nuggets to every count, boxed fries to the top, crafted fresh lemonade, bagged customer orders, and hand delivered guests their meals. Cleaned and restocked supplies for the front of house and back of house in preparation for the team members that will arrive next to open.
